For the healing of the family tree

It is necessary to go to a priest and ask to have Masses celebrated for the deceased of one's family belonging to one's family tree. "for my deceased ancestors ...", it is written. The intention of those who celebrate is what matters, so unless they know how to say a specific name, this is enough. However, it is always necessary to ascertain the time and day on which the Mass is celebrated; even if you cannot be present, it is not a necessary condition, it must be an intention for every Mass celebrated. If it is possible, and if necessary, to have several Holy Masses celebrated for your family tree, do not skimp.

Other prayers that the individual can make for himself, for various needs.

In the name of Jesus, *for His Most Precious Blood shed for the whole of humankind*, with the intercession of the Virgin Mary, of St. Michael the Archangel and of all the Holy Archangels, and of all the Holy Angels, and of all the Saints, among they

For marriages in crisis, prayers that break and dissolve the evil facts about marriage must also always be made. All time. And the novena to the most precious Blood for the salvation of the spouse furthest away from the Church.

IF A MARRIAGE IS IN CRISIS, ACTIONS TO BE TAKEN:

(in the prayers that follow where it says "by my husband" you can also say her husband's first name)

As we know, Jesus also freed from a distance. It freed and healed even at a distance. Therefore, with the photograph of your husband in front of you you can, even every day or two or three times a week, make the sign of the cross and, after some introductory prayers, ask Jesus for help (ex: Lord Jesus, I believe that you are alive and risen. I believe that you are really present in the most holy Sacrament of the altar and in each of us who believe in you. I praise you and I adore you. You are the fullness of life, you are the resurrection and life, you, Lord, you are the health of the sick. Today I want to present to you my husband's ills, disease, I ask you to have compassion on him. Visit him for your Gospel, so that he may recognize you as alive, present in your Church, and come to faith and in you . I beg you, Jesus, have compassion on him, Lord, bless him and make him acquire spiritual health. I ask you, Jesus, by the power of your Holy Wounds, by your Holy Cross and by your Most Precious Blood. from the wounds he has done for the evil he has done to me, Lord, you healed and deliveranced many also for the faith of those who asked you for help for them, you healed the paralytic also for the faith of those who brought him to you: come Jesus, for the faith I have in you. Heal him Lord, intervene and heal. Give him Life, Life in abundance. I ask you for the intercession of Mary Most Holy, your sea, the Virgin of sorrows, who was present at your Cross)

1) with a medium voice, you should command in the name of Christ the diabolical legions to leave your husband. The following is the prayer you should say: "In the Holy Name of Jesus Christ , by His most Precious Blood by which we are all

redeemed, with the intercession of Mary Most Holy, of all the Holy Archangels, especially St. Michael Archangel, of all the Holy Angels and of all the Saints, among them Saint Francis, Saint Padre Pio, Saint Anthony of Padua, Saint Gemma Galgani, John Paul II, I command and order to, declare and decree to Alimai and his legions, to Asmodeus and to his legions, to Beelzebul and to his legions, to Satan and his legions, to Lucifer and his legions, especially the spirits of darkening of intelligence, mental, psychic and physical illness, mental confusion, to Dan and to his legions, to Abu and his legions and every spirit and witchcraft legion to get away immediately from my husband, my family, my home and never return. I command and order it in the Holy name of Jesus ”.

You can repeat this prayer even twice on the same day. But it is not enough, because there is also a link on marriage.

2) And then you must add another prayer: In the Holy Name of Jesus Christ, for His Precious Blood shed for the whole of humankind, with the intercession of the Virgin Mary, St. Michael the Archangel and all the Holy Archangels, of all the Holy Angels and all the Saints, among them Saint Padre Pio, Saint Francis, Saint Joseph, Saint Anthony of Padua, I break and I dissolve, loose and annihilate, every diabolical influence that my husband (say his name) suffers following evil spells ,curse made to him and to us, his family, I break and , I dissolve, loose and annihilate, every evil spell curses, filter and binding, every effect of a magic rituals of witchcraft, effect of occultism done on my husband, on my marriage; in the name of Jesus I break I dissolve, loose and annihilate every wish of death, wish of misfortune, of misfortune, made on me, on my person, on my existence, on my house, on our descendants, on our children, on mine savings, on my head; every curse sent against me and my family by means

of dolls and sticking of pins, by photography, by means of underwear by wizards, sorcerers, fortune tellers, witches. I untie them and annihilate them and bind them to the Cross of Jesus. Come in Jesus and heal them, for the faith I have in you

Another prayer to make

3) In the Holy Name of Jesus Christ , for His Precious Blood shed for the whole of humankind, with the intercession of the Virgin Mary, of St. Michael the Archangel and of all the Holy Archangels, and of all the Holy Angels, and of all the Saints, among them Saint Padre Pio, Saint Francis, Saint Joseph, Saint Anthony of Padua, I command and order, declare and decree to every unclean spirit of division that gives problems to my marriage, my husband and me, to leave from me immediately and never come back. I command and order it in the Holy Name of Christ Jesus, the risen, living God.

4) Finally, you must make a Novena to the Most Precious Blood of Jesus, for which all of us, believers and non-believers, are saved, for his salvation, asking for the Grace of your husband's salvation **(grant me the grace that your husband's NAME Be saved at the end of his earthly passage and may he come to thank you in the heavenly Jerusalem and with you praise and thank Jesus).**

It is not a minor thing to ask for his salvation with this novena. Don Amorth often says that sometimes people are not released because they have not forgiven those who have hurt them. You can find the novena to the Precious Blood in the following sheets.

5) Check that in your apartment, especially in the bedroom, in the bedside tables and in the wardrobes, there are no knots, pins, stars, hair, ropes that you have not put. If you find them, you don't throw them away but burn them by blessing.

Beware that we must not limit ourselves to burning them, but it is necessary to pray while they burn: "Lord Jesus, come and set me free from every curse, from every curse, filter and hex done on my marriage". And then a Pater, Ave, Gloria. You can say the same prayer while you bless your house with holy water. Bless your house every now and then with holy water.

These are the five actions you should take. If the problem is VERY ROOTED, that is, it has existed for a long time, maybe years, your marriage will not be released in the short term, but if you are constant, and you have faith, it will happen. Nothing is truly impossible for God.

Another thing: it would also be opportune for someone to pray about who is closest to the Church, freeing her from every curses, filter and binding made on her marriage. If there is a charismatic group around the house that makes healing prayers, go get healing prayers or sing praise, which also heals the soul (If you don't know any prayer groups, on the yearbook diocesan there are the names and telephones of all the groups present in the diocese. The diocesan directories can be found either at some Caritas or in the secretariat of the Vicariate, by the Bishop. In the secretariat, only by asking for the diocesan yearbook, they will give it).

Make a lot of invocation to the Holy Spirit if they don't find the groups. It is also healed in this way: the Holy Spirit is love par excellence, it is the love of God.

Further note: The novena to the Precious Blood, after it has been made for salvation, can continue to be done, but asking for the person's conversion. In this case, it is necessary to continue to recite it indefinitely, until the problem is solved. YOU MUST INSIST. THIS INSISTENCE PLEASES GOD.
