## THE POWER OF GOD IS OUR STRENGTH

Regarding what needs to be done to set free ,deliverance a child, a husband, a wife from the extraordinary action of the devil (also from strong oppression), look on our website [www.ifglidellaluce.it](http://www.ifglidellaluce.it), UNDER PRAYERS OF DELIVERANCE, the file “HOW TO FREE A MARRIAGE and repeat the I present there. In summary, it is necessary to carry out:

- 1) For 9 days the Novena to the Precious Blood of Jesus written by Venerable Bartolomeo da Saluzzo for the salvation of the needy (who can also be someone who has hurt us, a stranger to the family)
- 2) With the photo of the needy in front, command with at least 4 prayers a every filthy legion to go away from him (of witchcraft, of magic, of division, separation with God and between men, sex addiction, from drugs ... ..)
- 3) and with at least 4 others pray to any malignant influence that is suffering due to envy, jealousy, a magical rite and witchcraft ...
- 4) Have Masses celebrated for the needy by saying to the priest: I want a SINGLE holy mass for (name), a living person. He can not ask you anything about it and cannot refuse it. If it does, don't argue and go away, ask elsewhere. Not one or two should be done but in considerably
- 5) IT IS GOOD STANDARD TO CELEBRATE HOLY MASSES ALSO FOR THE DEAD OF OWN FAMILY TREE, BRANCH MATERNAL AND PATERNAL. Thousands should be celebrated, not 30 or 40,

but THOUSANDS. ONLY SINGLE MESSES. It is not the same as having the Perpetual Masses.

6) YOU CAN HAVE THE HOLY MASSES CELEBRATED ALSO FOR YOU. They can be done and it is good practice. I advise you: they raise us towards God. Last but not least, better think when you are alive, to purify yourself of our small and large filth. Suffice it to say when you have it "For the bidder's".

7) Go to the Marian shrines. Even there, sometimes, there are some deliverance. And in any case the devil is very disturbed by this action devotional.

8) Forgiveness is a super gift (this is the etymology of the word), it must be given always. You can and should break off a relationship, in self-defense, but continuing to pray for that person and asking for his/her salvation is a duty which must be fulfilled.
